

ASTL.IO Disclaimer

The website <https://astl.io> (hereinafter, referred to as the “Website”) provides cryptocurrency mining services. You are not authorized and nor should you rely on the Website for legal advice, business advice, or advice of any kind. You act at your own risk in reliance on the services of the Website. Should you make a decision to act or not to act you should do your own research and due diligence. In no way the owners of the Website shall be held responsible for the actions, decisions, or other behavior taken or not taken by you in reliance upon the Website.

The Website may contain translations of the English version of the content available on the Website. These translations are provided only as a convenience. In the event of any discrepancies between the English language version and the other languages versions, the English language version shall take precedence. If you notice any inconsistency, please report them to our Customer Support.

The cryptocurrency mining services provided by Website should be used with care, a proper financial consultation, and only when sufficient funds are available.

Before deciding to buy ASTL Token and appropriate rate of ROI or hashpower, you should carefully consider your objectives, level of experience, and risk appetite. Please do your own research and due diligence on the services provided by Website. Past performance is not indicative of future possible returns or results.

Purchase the number of ASTL Token and appropriate ROI and hashpower for cryptocurrency mining can lead to financial loss in the short and long terms. Clients of cryptocurrency mining should expect prices to have large range fluctuations. The Website can't guarantee that the clients of cryptocurrency mining would not lose money.

The Website is provided on an “as is” basis without any warranties of any kind regarding the Website and/or any content, data, materials and/or services provided on the Website.
